The Tainan District Prosecutor's Office Investigates Optoelectronics Case, Tainan Mayor Huang Wei-che Summoned as a Witness

The prosecutor of this office is investigating an optoelectronics case within its jurisdiction. This morning (29th), Tainan Mayor Huang Wei-che was summoned as a "witness" to this office for further clarification on the relevant facts. In response to public skepticism regarding the illegality of the optoelectronic interest dispute, this office will carry on with the collection and investigation of evidence, and the case will be determined based on the evidence through investigative process.
